# Dedicated to

Many ex-members of the World War II fighting forces have kept their families together and led a normal, if somewhat cramped, homelife in these trailers on the State College campus. Their outstanding grades, their persistence in the face of hardships connected with trailer-camp life, and their determination to live successful lives despite their past sacrifices have won our admiration and respect.

Most of the veterans are graduating now, and, in view of their past accomplishments, we are confident that they will be able to keep their ultimate goal in mind and hurdle each obstacle as it arises.

To these courageous young men and their families we proudly dedicate this 1951 Indian.

# Forward

One of the most familiar scenes at Arkansas State College is this dedicatory plaque in the entrance of R. E. Lee Wilson Hall. We have chosen this scene as a symbol of our desire to present you with a treasure chest of delightful memories. We have endeavored to portray every phase of student activity in this, your 1951 Indian, in such a manner that it will be cherished for years to come.

True to the pattern of our fine American heritage we know that State College is destined to grow and expand. With each succeeding year familiar scenes shall fade as they give way to the law of progress, and though our hearts be tinged with remorse at their fading, let us take pride in the knowledge that this progress is but a unified reflection of our individual interest and efforts.

CLASS  
DORM

Someone has said, "in every true college one may find a temple of his own liking." On this spacious campus of much natural beauty, where tones of color and shade interplay and where there are traditions of value and meaning, there is a richness of life compounded of the delights of the search for knowledge in an atmosphere of comradeship with the faculty members and fellow-students. Here one may find his temple, the dedication of which will leave an indelible stamp upon him—for life.

## *Arkansas State College Museum*

The State College Museum contains one of the most complete collections in the south.

Its purpose is to collect, maintain, and preserve all available historical material. It is a place for research and class study as well as being profoundly interesting.

This crystal candelabrum was given as a wedding gift by Napoleon to the Mexican Emperor Maximillion and Empress Carlota.

This mass of bones are the lower jawbones and skull of the prehistoric Mastodon. This was found near Marmaduke, Arkansas.

In these cases, from the Carrol H. Lutterloh Early American Glass Room, may be seen many beautiful and unusual examples of historic glass and chinaware.

This case contains an under-sea display which is very helpful in class study. Many rare specimens of sea life can be found here.

Many early pioneer articles may be seen in the historical section of the museum. This display shows only a minor part of the museum's large collection.

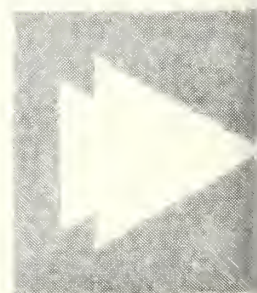

Early pioneer homelife is depicted in this log cabin setting. Every essential article of early kitchen utensils can be found in this unique display.

# Administration

The past few years have witnessed a strong and rapid growth of Arkansas State College. The student body has more than doubled in number, and the faculty has grown accordingly. Curricula have been revised, and teaching facilities have been increased. Student participation in College administration is expanding, and through increased extra-class activities, greater social and cultural opportunities have been provided.

These achievements have come in step with the economic and social demands of our state and nation. And in its traditional way, State College is constantly on the alert to provide increased modern educational services to its students.

## Ministers' Fellowship

The Ministers' Fellowship Club, organized January 15, 1947, at Arkansas State College, encourages Christian attitudes among all denominations on the campus. They strive to promote a better understanding of one another by all races and creeds.

This Club increases the opportunity for the Ministers to become better acquainted and to have more social contact on the campus as a group.

LEFT TO RIGHT:

## Newman Club

The Newman Club is a religious organization for Catholic students at Arkansas State College. It is a branch of the National Federation of Newman Clubs which are established on the campuses of secular colleges and universities throughout the United States. The main purposes of the club are to offer religious and spiritual guidance and to provide a social program for the Catholic students.

A Student Council was first organized at State College in 1947. Since that time it has been instrumental in the affairs of the students and has worked for cooperation between the students and faculty.

Particularly active this year the student council has, among other things, spoken in behalf of the Student Body to both local and state authorities and saved the students from being forced to purchase Jonesboro city license for their automobiles.

A new constitution for student body government has been devised by the council. Their guiding principles were to eliminate that portion of the constitution which has proven to be outmoded and undesirable and at the same time retain and elaborate that portion which was desirable.

# Classes

## *Ode Aux Classes*

Oh, here are the freshmen, so full of ambition.  
They're dreaming of degrees and a later position.  
When this year is over, their grade cards will tell,  
If they've flunked their classes or if all has gone well.

Oh, here are the sophomores, with a sweat dripping brow.  
They have all weathered as a freshman somehow.  
If they can just finish their research on time—  
Then next registration they'll again be in line.

Oh, here are the juniors, distinguished no less.  
They consider the freshmen, "a mell of a hess."  
They've been here two years now, and they'll gladly relate  
That they are God's gift to the co-eds at State.

Oh, here are the seniors, remorseful somewhat,  
That, to leave State College, has befallen their lot;  
Yet proud, that in college, they've managed to glean  
A portion of knowledge from knowledge's stream.

When September rolled around, we found the 1951 graduating class eager to begin. Buddy Meador, a member of the Blue Key Club and Pi Kappa Alpha fraternity, was chosen president. Billye Sullards, president of AOII, became vice-president. Patsy Cavenor was elected secretary and Bob Jones became treasurer. Four members of the senior class were elected to serve on the Student Council. They were Frank Jones, Marshall Driver, Carl Greenwald, and Clinnie Wofford. Frank later became president of this organization. He represented the Council ably as well as being president of Tau Kappa Epsilon fraternity and a member of Blue Key.

The first social function of the year was the Junior-Senior picnic held at the college picnic grounds. Over one hundred couples attended this function enjoying roasted weinies and marshmallows around a huge bonfire.

At the close of the football season three seniors won honors at the football banquet. A. D. "Red" Ruyle was selected by his teammates as Honorary Captain of the team. Dee Bonner was chosen as the most outstanding lineman and Johnny McGuire earned the position of the most outstanding back. Johnny was captain of the track team in 1950.

Jake Durham, another outstanding senior athlete, won the National Junior Wrestling Championship in the 137-pound class at New Orleans. Jake, captain of the wrestling team for the last three years, also won the Arkansas AAU championship in 1949 and '50.

After losing Cecil Vines by graduation, the Arkastaters elected Mary Kathryn Goldman as president. Mary Kathryn, vice-president of Alpha Gamma Delta, has made an outstanding grade point average during her years at State. She is a member of the Baptist Student Union, International Relations Club, and is president of the Women's Executive Council and Pi Gamma Mu.

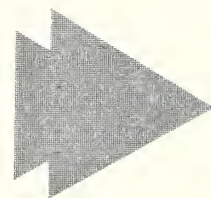

The college faculty helped the seniors start the second semester off with a bang by giving them a banquet and dance. Music for the dance was furnished by the Faculty Band and proved to the seniors that their elders still had as much pep as they.

The last big event of the year was the Junior-Senior Prom which, in usual manner, is given by the Junior Class. This proved not only to be the 'big event' for the two classes but also as one of the outstanding dances of the year.

### SEATED:

Jolyne Wilkins, Louella Barnes, George Kell, Patsy Wood, and Sue Davidson.

Selecting beauty from a galaxy of beauty undoubtedly proved to be a problem for George Kell, star third baseman for the Detroit Tigers. George, an alumnus of State College, visited the campus for the purpose of selecting the 1951 Indian Beauties. He choose eight finalists from twenty girls which were nominated by ballot box procedure by the student body. In the beauty contest the students named 172 girls from a cast of more than 700 ballots. Each student was entitled to name twenty girls.

*The 1951 Indian Beauties*

"It was a pleasure and honor to choose the 1951 Indian Beauties. Arkansas State College certainly has an ample supply of beauty. I enjoyed meeting each one of the charming young ladies."

### *Dream Girl of Pi Kappa Alpha*

When the night birds are singing their love song,  
And you sit by the fire-light and dream,  
There's the thought of a girl—puts your brain in a whirl  
For her eyes like the bright embers gleam,  
She is fair as the heavens above her,  
She is true to the trust that she bears,  
For tho' she is far away, she'll be yours some sweet day,  
She's the Dream Girl of PIKA.

### *Sweetheart of Sigma Pi*

Oh! Dream girl your bright eyes so softly shine,  
That they've lit the love-light in this heart of mine.  
Something near and something dear about you  
Makes them grow with eloquence divine,  
And so when I have learned to read their message,  
Let me place above your heart this cross of love,  
As a symbol dear that you are a Sigma Pi girl too,  
You're the sweetheart of dear old Sigma Pi.

### *Sweetheart of Tau Kappa Epsilon*

There's a girl at the end of each rainbow;  
There's a girl 'mid the sparkling dew;  
There's a girl in the heart of each sunset;  
She's a girl that is ever true.  
Her lips are as red as the wild red rose,  
Her eyes are as blue as the sea.  
She's the dearest friend our memory holds  
She's the sweetheart of TKE.

# Activities...

During the past year Arkansas State College has grown immensely. A large part of this success can be contributed to the fact that student and college participation in extra-schoolastic activities have increased. This has offered a greater amount of social and cultural opportunities to those enrolled at State College.

The following section is a diary of those activities which are of a definite value to the College and its increasing family.

## Arkansas State . . . 0 Mississippi State . . 67

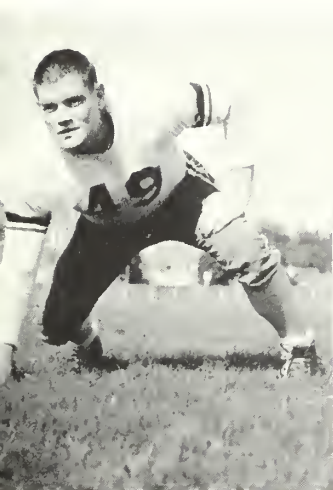

Arkansas State stepped into 'big-time' competition to start off the 1950 football season, but as soon as the game was played they stepped right back out again.

Mississippi State threw everything except the kitchen sink at the Indians and they probably would have thrown that also if it were not for the fact they were too busy running up 67 points.

The Indians had their moments of greatness also. Johnny McGuire, best back of the year, took off on two razzle dazzle runs; one for 15-yards and the other for 11. Bobby Reid's kicking which averaged 41.6 yards per try was a feat in itself. Bobby really set the Maroons back when he uncorked a 74-yard blast from the end of his toe. This kick was one of the longest punts Bobby had ever kicked in college competition.

Led by their 130 pound quarterback, "Twig" Branch, the Maroons rolled up 10 TDs, and 7 conversions. The Maroons ground out a 27 point lead in the first period of play and continued their touchdownitis throughout the remainder of the game.

Having a long string of able replacements, the Maroons substituted at will, and these replacements could not be distinguished by playing ability, but only by the numbers on their backs.

The Indians missed their only chance to get into the scoring column in the third period. With Johnny McGuire leading the attack, the Indians managed to move the ball down to the Red's six yard marker before a costly fumble cost them the six pointer.

This game was Arkansas State's first game with the Maroons and Coach Frosty England will be building his squad for next year's return game.

*"You block and I'll run, Bill."*

**Arkansas State . . 20**  
**Ouachita College . . 0**

Johnny McGuire, Gene Osselmeier, and Tex Romero slashed off huge chunks of yardage on a rain-drenched Ouachita Tiger football field to secure their first win of the season. This was also the Indians first AIC win, although the Tribe was not eligible to win the AIC due to the lack of sufficient games.

Bill Sommers was not able to unleash his well planned passing attack due to the continuing rain which hampered both teams. But Sommers showed his cleverness by the excellent hand-offs to the speedy ASC backfield.

Arkansas State moved into the lead mid-way through the initial period when Osselmeier powered his way over left tackle for 4-yards and six points. Frank Palumbo, reserve quarterback, got the first of his two conversions out of three attempts.

"Molly" McGuire took on the scoring chores in the second quarter. McGuire set up his first touchdown by going 35-yards on a Statue of Liberty play down to the Tigers 3-yard stripe, where, one play later, he managed to bull his way over the double-stripe for the Tribe's second tally. A few minutes after his first TD, McGuire ripped off a 38-yard chunk of mud for his second touchdown and the final score for the Indians.

Bobby Reid and Tiger Oris Turner played "footsie" with the ball most of the second half. Seventeen punts were exchanged. Bobby averaged 30.3 yards in six attempts, while Turner averaged much less on his 11 boots.

Arkansas State walloped the Tigers in the statistical department. The Indians racked up a total of 319-yards to 10-yards for Ouachita in rushing, and the Tribe managed 16 first downs while the Tigers labored for a miserable 2.

*Woit romps while Quachita burns*

Arkansas State . . . 6  
Delta State . . . . 19

Fumbles and five intercepted passes resulted in the second loss for the Tribe. The Indians were within the 15-yard stripe on many occasions following sustained drives of at least 80 to 90 yards every time, but had fumbleitis and could not pound over the necessary points.

It was a comparatively even first half with each team scoring once. The half ended with a tie ballgame, 6-6.

Something happened to the Indian's spirit when the second half opened, it did not look like the same team on the field. While ASC continued to fumble and have their passes intercepted, the Delta State eleven rocked to a two touchdown lead, which was never to be overcome by the Indians.

The only good thing about the second half was Bobby Reid's

kicking. While the offense collapsed and the defense was being pushed all over the field, Bobby was averaging 44.5 yards a kick.

The real difference between the two teams could well be measured by their alertness—rather by Delta's alertness and the Indians lack of it. For example, after sparking a great drive for the length of the field, State's ace back, Johnny McGuire fumbled and lost the ball on about the six-inch line.

But the power-running Redskins offense was undaunted, and early in the second quarter State took over a Greenie punt. The second Indian march originated on the Red and Blacks' 45-yard stripe. Reserve halfbacks John Koldus and Richard Woit combined to spark a drive to the Delta six-yard line. But, again the Redskin machine stalled at the 15 yard line, where the Greenies took over. But, on the first Greeny play the fumbleitis disease spread to their own backfield, which forced them to punt. The game ended, 19 to 6.

Arkansas State . . . 27  
Alabama State . . . 0

Arkansas State's Indians evened up the seasons record with their second victory in rain soaked grounds. This game marked two first home win of the new season and the other being Dee Bonner's first touchdown in four years of college competition.

Although the Red Wave of Alabama had been crowned champs of the Alabama Intercollegiate Conference last year, and had many of their players selected on the all conference team, they did not come up to their press release. Arkansas State practically advanced through the all conference line at will, while the Indian defense pushed the star studded Red Wave backfield all over the field.

Tex Romero led the scoring for the Indians when he crashed over the Wave's goal line twice. Ten plays and four first downs after

State scored twice in the second quarter, once on a long pass from Sommers to Bonner, and the other on an eight yard sweep of the Bama's left end by Rudy Wagner. The pass from Bill Sommers to Dee Bonner was the only completed pass for the Tribe. The play started on State's 36-yard line, Bonner gathered the pass in at the Wave's 15-yard marker and scampered the remainder of the way without being touched.

A recovered Red Wave fumble set up Wagner's only tally. With Sommers and Osselmeier toting the ball down to the 8-yard line, on varied types of plays, Wagner cut the middle of the Bama line to cross the double stripe for the score.

Romero rounded out the game with a two-yard plunge, resulting from a Red Wave fumble to paydirt. Frank Palumbo converted for his third straight conversion, the first attempt for the PAT was blocked.

Crash! Bang! Boom! The Arkansas State College Indians exploded, crushing a sub-standard Maroon eleven, 46-0. Coach Frosty England used everyone on the bench except the trainer. A new group of offensive stars were uncovered in the games as well as a new group of defensive stars.

Tex Romero started the scoring spree three minutes after the opening whistle. Sustained gains by Osselmeier and McGuire moved the ball to the three-yard line where Romero plunged into the Maroon endzone.

The Maroons were able to hold the Tribesmen on the next series of downs but were forced to kick. Arkansas State missed two chances for added points when McGuire's 12-yard sprint into the

endzone was called back because of a clipping penalty, and a few plays later Bonner dropped a pass from Gebert on the one-yard line.

Richard Woit waltzed, toe danced, zigged and zagged 24-yards for ASC on one occasion and 25-yards on another, which proved him to be the best running back on the field. Don "The Toe" LaPlante replaced Palumbo at the PAT slot after Palumbo's first two attempts were void. LaPlante managed to put two out of his first three attempts through the uprights before the half.

Ed Trishman, ASC lineman, is the only lineman, other than an end, to score a TD. Ed intercepted a lateral and waddled 14-yards for the TD. The first half ended with ASC on the long end of a 32-0 score.

A "Suzi Q" pass from Gebert to Bonner and an eight yard plunge by Rudy Wagner rounded out the scoring for the Tribe. The game ended, 46 to 0.

*Cobb blasts through the middle for a couple*

**Arkansas State . . 21**  
**Missouri Valley . . 20**

Don "The Toe" LaPlante earned his alias by sending three out of three conversions through the Missouri Valley Vikings' goal post, thus giving the Indians a three game winning streak.

Frank Palumbo deserves much credit in the winning of this game. Frank was hit severely on his right leg during the first half but stayed until the closing minutes before John Koldus replaced him. Frank knew that there were no replacements on the bench to fill the quarterback slot, so he played on one leg and plenty of spirit until he was hit again and then had to be relieved.

Palumbo was responsible for the first tally for the Arkansas State College Indians. He kept the ball

on an optional hand-off play and streaked around the Vikings' end for 65-yards. LaPlante came in to boot the point after touchdown.

The Vikings came roaring back and scored two quick touchdowns before the Tribesmen knew what had hit them. Bruce Webb pulled the same thing Palumbo did; he streaked around his own right end for 18-yards and Missouri's first score. Gene Morrison made the PAT to knot the score.

With the time running out on them, the Indians drove down to the Norsemen's two-yard marker, where Palumbo left the game. Koldus' first call was unsuccessful, but his second call payed dividends; Buzzy Gebert streaked through a narrow gap in the Viking defense to tie the score.

The Missouri Valley fans stood up when LaPlante came into the game to try for that all important PAT. LaPlante's toe was true and the Indians for the second consecutive year had ended the Viking win streak.

*Fumble!*

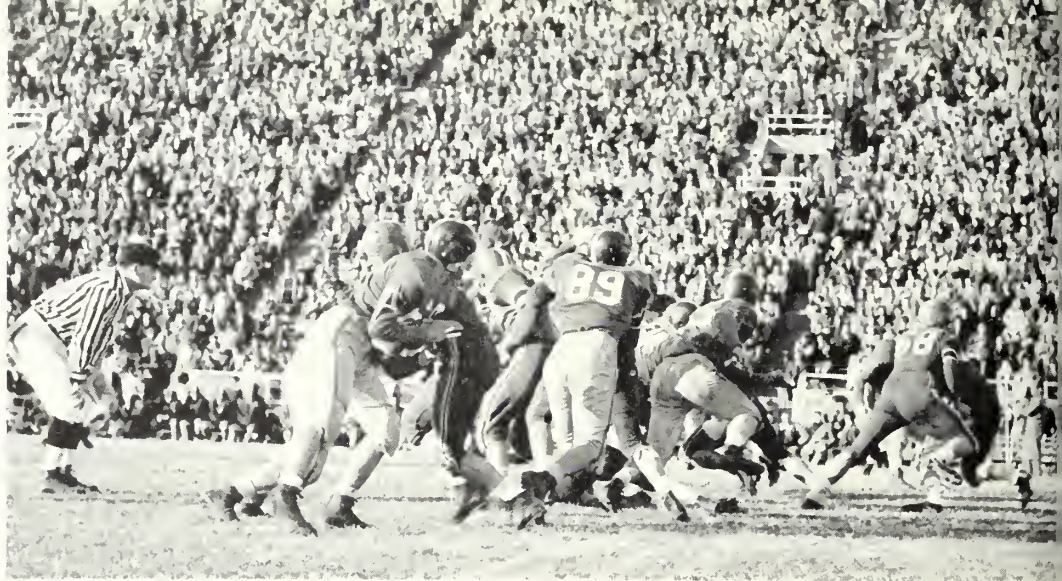

## Arkansas State . . . 7 Memphis State . . 60

The Tigers of Memphis State snapped a three game win streak for the Arkansas State College Indians in Crump Stadium at Memphis; this win by Memphis State moved them closer to their goal of securing University status football competition; while the Indians lost their chance to participate in the Indiana Refrigerator Bowl game.

Arkansas State, though badly beaten up by Missouri Valley in the previous tilt, played one of the best games of the year. The Tribesmen managed to secure a very good 363 yards, while the Memphis State eleven received a total of 563 for their afternoons play.

The first six minutes of the game was comparatively even, with neither team making any substantial gains to merit touchdowns. But after those first six minutes the Tigers had it their

own day. Cobb hit Robertson for the first tally; it was the first of three from Cobb to Roberson TDs.

Dee Bonner was the only Indian to step across the Memphis goal line for a score. Dee took a "Susie Q" pass from Ralph Gebert in the middle of the third period to account for six of Arkansas State's total of seven points. Don LaPlante came in to kick the extra point.

John McGuire, Rudy Wagner, Buzzy Gebert and John Koldus, who took off at the quarterback slot with only one week's preparation, and handled his sub-job excellently, played an inspired game.

John Koldus provided one spectacular moment for the Indian rooters when he scampered for 54 hard earned yards in the second period.

This loss to Memphis State was Arkansas State's last taste of defeat for the 1950 football season. This game also concluded a two-year contract between the two schools.

*Run John run.*

## Arkansas State . . 27 Henderson State . 13

Trailing 13-7 at the half, the Indians fought back valiantly in the second half to top the favored Henderson Reddies, 27-13. It was a great win for the Indians because it was their Homecoming Day, and it was also an important win in the so called AIC. But since Arkansas State College had not scheduled enough AIC games to compete for the title, the AIC ruled the game did not count as a conference game. Henderson went on to become the 1950 AIC champions.

Billy Sommers, who had returned to the lineup after a four game layoff, scored the first tally of the game for the Indians on a beautiful 32-yard run around his own right end. Sommers was attempting a handoff to back John Koldus for a sweep around the opppsite end but fumbled the

ball. He picked it up and ran the full distance to put the Indians out in front, six to nothing. La Plante converted and the Tribe led 7-0 at the end of the first quarter.

The Reddies scored again in the first half but Arkansas State dominated the play in the second half. A pass from Gebert to Bonner in the early minutes of the third quarter tied the score.

Rudy Wagner accounted for the Tribe's tie-breaking and insurance touchdowns. Rudy Wagner, John Koldus and Mollie McGuire set up the third TD, each chewing off large hunks of ground put the ball in position on the five from where Wagner romped over. LaPlante again converted.

Rudy then made the next touchdown on five consecutive plunges at the Reddie line, the play starting on the Reddie 21-yard line, and on his fifth attempt he went for five yards for his second score. LaPlante converted for the third time in four attempts.

Union University . . 0

This final game of the 1950 season was an excellent send-off for seven graduating members of the football squad. Earl Barbour, Dee Bonner, Ernie Crone, Bob Manns, Johnny McGuire, Gene Osselmeier, and Captain A. D. "Red" Ruyle were the mainstays in the Indian's offensive and defensive system.

Union gained 23-yards on the ground and 76-yards via the air route. Rudy Wagner personally picked up 129-yards rushing in scoring two of the Tribe's seven tallies. Dee Bonner, Robert Andrews, Ray Eickmeyer, John Koldus, and Gene Osselmeier each tallied once for the rampaging Injuns. Don LaPlante added five attempts.

Union threatened only once during the entire game. This threat came just before half-time when Hooper returned Ronnie Allen's

kickoff to the Bulldog's 38-yard stripe. Yearout, Union quarterback, then heaved a long pass to end Gatewood which was good for 37-yards. Yearout passed again to take the ball down to the Arkansas State 15-yard line. Again Yearout passed the Bulldogs of Union University down to the Tribe's eight, for a first down. At this point, however, the drive bogged down when Yearout failed to gain around right end and two Union passes fell incomplete. A final desperation pass was completed to Gatewood; but Ernie Crone broke up the threat by smearing Gatewood on the Indian three-yard line.

With the winning of the Union game, Arkansas State had racked up a final record of six victories and three defeats.

Arkansas State scored a total of 200 points against 180 points for the opposition.

#### MOST VALUABLE LINEMAN

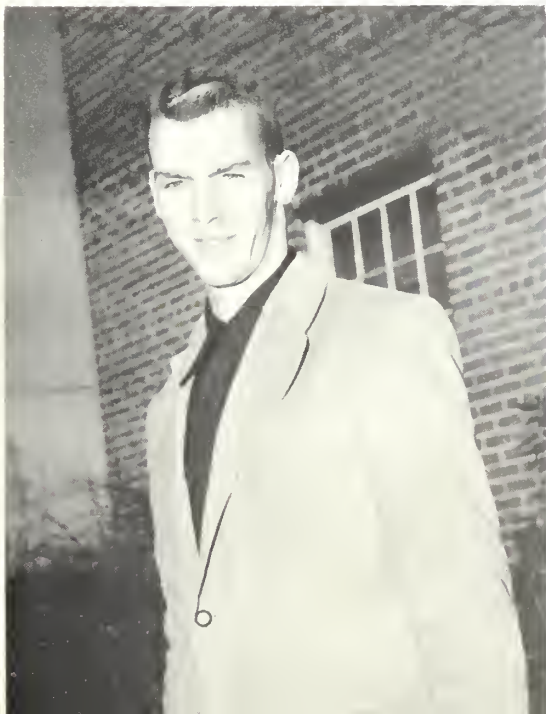

*Dee Bonner, End*

Tall and rangy Bonner was one of the main factors in the success of the Indians football team. Coach England will have a tough job finding a man to replace this senior.

#### HONORARY TEAM CAPTAIN

*A. D. Ruyle, Center*

"Red" has passed many a ball to the backs of Arkansas State in his four varsity years. Captain Ruyle, in his final year, led his team to a season's record of 6-3.

#### MOST VALUABLE BACK

*John McGuire, Halfback*

"Molly" showed his feet to many a tackler in his varsity career. John's speed and cunning made him one of State's greatest backs.

ANDY CRAIN  
*Manager Deluxe*

Andy, who comes to State from Percy, Illinois, has been equipment manager for the Indian teams during the past two years. His duties are to see that each athlete has the necessary equipment and that it is in top condition. To the athletes, Andy is a patient little guy who is willing to go out of his way to help. Probably no other man at State College has heard the troubles of so many as Andy has; his shoulder is known to be the place to shed your tears.

To his helpful work in the Athletic Department and because of his willing cooperation with the Indian staff, this page is dedicated to him.

*Freshman*

Six feet six inches of center, took a backseat to Bonner and Burge but should see plenty of action next year.

Scrappy center for State, wound up his college career this year. Dee played plenty of good ball games and would have been a coaches dream to any other team.

Is a chip off of the old "Scott" block. He has demonstrated his ability to play a good brand of ball. Should be one of the starting five next year.

**CURTIS MCNEESE**  
*Sophomore*

Curtis has played two years on the varsity team and should be giving the starting lineup a fit next year.

**RAY SCOTT**  
*Sophomore*

High point man of the 1950-51 season, gave the fans their moneys worth with his graceful play and scoring ability. Excellent rebound man and set shot artist.

Dec. 16 . . . Gannon College handed the Indians their second defeat on the road. Gannon is in Erie, Pa.

Dec. 17 . . . Six points was the margin of victory for Lawrence Tech. This finished the northern trip.

Jan. 27 . . . Keeping up their fast pace the Tribe tripped the Wonder Boys of Tech, 77-57. Benson led the scorers with 23.

**BOBBY SCOTT**

*Junior*

Little Bob is one of the three best guards in the AIC. The other two being Holman and Juricic. He was shifted around with Jake and Juce to find the best combination. He thrilled the fans with his unorthodox shots and his dazzling floor play.

**PERRY STEVENS**

*Sophomore*

Reserve forward with plenty of fight. He is expected to see more action next year. Excellent push shot artist.

**OSCAR NORIEUL**

*Sophomore*

One of the best floor men that Arkansas State has ever produced. His jumping and rebounding despite his height has proven valuable to the Indian teams. Probable starter next year.

## RICH JURICIC

### Sophomore

A boy Bradley should have never let go, is one of the best ballplayers in the South. He is known for his ball stealing as well as his shooting ability; will be with State two more years.

Jan. 31 . . . The Indians had an easy time in whipping the Hendrix Warriors, 68-46. This was the Tribe's fourth AIC win.

Feb. 2 . . . This game against the Scots of Arkansas College was played in March because of inclement weather. The Indians won, 91-70.

Feb. 5 . . . With the Indians on the long end of a 74-39 score they walloped the Ozark team for a second time.

Feb. 7 . . . Ouachita was on the short end of the 80-53 score. This was State's sixth AIC win.

## CLYDE BENSON

### Senior

Coach Rauth will hate to see Clyde leave. Benson, captain of the 1950-51 team, has spark-plugged the Indian teams to many victories during his four years of play. His value in scoring and defense has been the envy to other coaches in the South.

## JIM BURGE

### Freshman

A freshman who has earned himself the starting assignment for next year at the center position. Burge is still young in college competition but has many great possibilities.

- Feb. 9 . . . Hendrix College bowed, for the second time, to the point hungry Arkansas State five.
- Feb. 10 . . . Arkansas State suffered its second AIC loss when the State Teachers quintet put the Indians on the wrong end of a 54-51 score.
- Feb. 14 . . . Southwestern's basketball team disbanded and the scheduled game was called off.
- Feb. 16 . . . Showing a balanced attack the Tribe coasted to an easy 75-36 win over the Reddies of Henderson.

JESSE BUCY  
*Junior*

In his third season with the Redskins, he has helped Coach Rauth with his speed and accurate shots at the forward slot. Will give Rauth a hard time next year in deciding who will play forward.

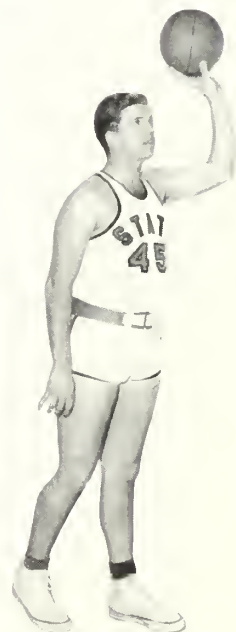

RAY GILLIAM  
*Sophomore*

Gilliam is a fleet footed reserve guard with two years experience. He shows much promise for the future.

ERNIE CRONE  
*Senior*

Six feet and four inches with 240 pounds carried a lot of weight with John Rauth. Ernie has played four years at center. Will be missed next year as reserve strength.

## RUDY WAGNER

### *Sophomore*

A reserve with speed to burn in this scrappy guard. Rudy promises to be a great help to Coach Rauth in years to come.

## WILLIS RAPERT

### *Freshman*

Arkansas State College students can be proud of this new floor. It is one of the best in the South.

The businessmen of Jonesboro and all others who donated to this project should be thanked and re-thanked for this magnificent gift.

With this new floor, the College has been host to the State High School Tournament, the District High School Tournament, and to some very good college teams. It is contemplated that this new floor will be the center of all basketball attractions in Arkansas.

# Cadet Officers' Club

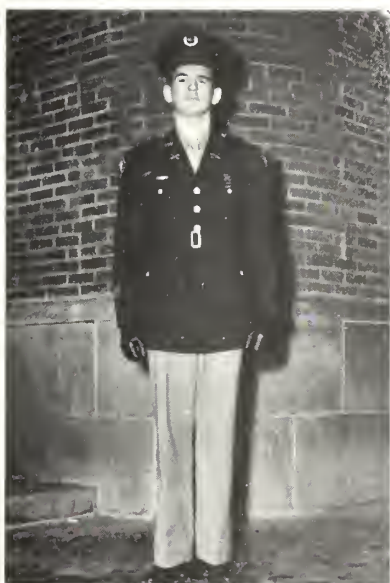

The Cadet Officers' Club of Arkansas State is composed of members of the junior and senior advanced military science classes. The purpose of the club is to foster comradeship, develop esprit de corps, advance the professional knowledge of the members and to provide a means for social activity.

Each year it sponsors the Military Ball at which time the presentations of the Honorary Cadet Officers are made to the public. The Club is very active in summer activities at the ROTC Summer Camp. The cadets sell football programs at all football games and they have consistently furnished the Jonesboro area with crack drill teams for parades and entertainment.

Each year the Cadet Officers' Club, with the help of the entire ROTC battalion, sponsors the Military Ball. In past years the Ball has proven to be one of the outstanding social events on the State College campus. This year's Ball attracted wide attention throughout the Northeast Arkansas area. Brig. Gen. Kenneth Sweany, former head of the unit, was an honored guest. Owen Elkins, a State College alumnus, furnished the music. A huge painting of the State College Indian by Mrs. Laura Sweany was given to the College by the ROTC department.

If the entire ROTC battalion were sworn into the army they could function well as an active 105-mm howitzer battalion. Here each Chief of Section reports to the battery executive officer that his piece is ready to fire. Consistent drills like this keep the battalion in top fit and in turn, it gives the young men some valuable training which could be used to the benefit of themselves and their country.

One of the most interesting courses to the advanced students is work on the terrain board where each cadet officer gets many chances to direct artillery fire. The boys are under the supervision of both cadet and staff officers, which affords experience in teaching as well as learning. From past results at the ROTC summer camps, the future officers trained at Arkansas State College have gained high honors in fire direction.

## Cadet Non-Commissioned Officers Club

Military students with an NCO rank that desire membership compose the Cadet Non-Commissioned Officers Club. Designed along the same lines as the Cadet Officers' Club, the Noncoms meet frequently, discuss items of military and social interest, and work with the cadet officers in coordinating the command and leadership of the ROTC battalion. The Homecoming float built by the NCO Club won third place in the Homecoming Parade. Several Noncoms are members of the top notch Arkansas State Rifle Team. The NCO Club is under the able direction of Lt. Col. Andrew Gorski, the departmental sponsor.

# Rearface

As the **Indian** goes to press it is customary for the editor to make up a list of people who have helped in some way or another to make the yearbook possible and the editor's life a little more bearable. I believe that the library would call these last few words a "preface." However, knowing that placing a preface on the last page of a book is not in keeping with journalistic ethics, I shall call it a "rearface."

First and foremost, I would like to thank Miss **Frances Yancy**, secretary to the Director of Public Relations, for her willing help whenever I called for it. For advice, encouragement, and an excellent job in engraving, I owe a great big "thank you" to **Leonard Mizzelle** of Peerless Engravers in Little Rock. Miss **Evelyn Montgomery** and **Dr. D. F. Pasmore** of the Modern Languages Department deserve special mention for their translations in French.

I also wish to give thanks to the people in the Graphic Arts Department who printed this yearbook—to **Cecil Adams**, pressman; to **Jim Jobe**, **Fred Chisenhall**, and **Loy Turley**, linotype operators; to **Fred Pasmore** and **James Jones**, make-up men; and to **Jim Lancaster**, press forman. These men did more than was expected of them by sacrificing several nights at home in order that the annual reach the students before the expiration of the school year.

In preparing his book, the phrase "there has been no love lost" will not hold true. I especially want to thank my girl friend, **Betty Gullett**, for her encouragement, loyalty, and patience with me during some of the most hectic days of my life.

My staff members, my advisers, and my instructors have all been wonderful. To all these people and, and course, many more, I give my deepest thanks.
